## LOCAL ITEMS.

Lovely spring weather.  
How well you look! Cain's groceries did it.  
The steamer sailed for Galveston at four o'clock.  
The last of the steamer freight will arrive from the Point this afternoon.  
WANTED!—A good, steady girl, to do household and kitchen work. Apply to Mrs. W. H. Sharp, Fort Brown.  
The Vivier residence, on Elizabeth street which has been thoroughly repaired and improved lately, is now being repainted.  
There is "something doing" at Cain's Grocery. His prices tell the reason why.

The Alice stage due last night was delayed by the bad condition of the roads and did not arrive until seven o'clock this morning.

FOR SALE.—One fine double barrel hammerless, shot gun (12 Gauge) with case, \$20.00. Apply at this office.

A special meeting of the Knights of Honor will be held this evening for the purpose of initiating two new members.

Quite a number of names have been put down on the list of subscribers for the WEEKLY HERALD. The new paper will be ready for issue in about two months.

H. C. Dennett has received a full line of samples of spring and summer suitings from Wanamaker & Brown, the great clothing firm. Call early and order your suits.

The schooners Fanny, Leman, Moore and Perkins sailed in ballast from Point Isabel this morning at 6:50 o'clock, all bound for Lake Charles, La.

A pleasant hop was given at the post, in the Administration building, last evening. A report of the affair was not obtained in time for this evening's HERALD, but will appear Monday.

**Railway Stock.**—For sale One Hundred (100) Shares of the Rio Grande Railway, value of \$100 each, for \$30 per share. For particulars call at THE HERALD office.

The report of the dinner which was tendered the nuns of the Incarnate Word Convent on last Monday erred in stating that the dinner was given by the Catholic ladies of Brownsville. THE HERALD is requested to state that it was the ladies of Brownsville and Matamoros who gave the dinner.

A sample of Brownsville Honduras rice from the Galveston mill was handed THE HERALD yesterday. This rice was grown on the plantation of M. H. Cross, and was shipped by him to the mills. It is a fine specimen and shows that the rice production in the Brownsville country turns out A 1. In this connection a remark which a visitor at present in Brownsville overheard in Galveston, as a shipment of rice from Brownsville was being tested at the mill there, bears out THE HERALD's claim. The remark, which was made by a rice expert, was to the effect that this rice which had just been received from Brownsville graded several points higher than any other rice that had been received at the mill.

## A Brownsville Railroad Assured

In a very short time Cain's prices on groceries will save the people of Brownsville enough money to build a railroad with home capital.

As Mr. Towell has invested in a large slice of Hidalgo county's rich land, he will probably be returning to this neck o' the woods in the not far distant future. ## WINE OF CARDUI

WINE OF CARDUI is a thoroughly scientific and modern remedy, meeting the needs of the modern woman in the modern way—without the torture of an operation. Wine of Cardui has cured them in the privacy of their homes and it has found a place in the hearts of American women that no other medicine has found. In their gratitude over 10,000 American women have written letters commending Wine of Cardui. Wine of Cardui meets their wants as no other medicine does. It sustains the young girl at the shock of her entrance to womanhood. Women who take Wine of Cardui have little discomfort during pregnancy and little pain at childbirth. When the change of life appears they enter a happy, healthy old age. Every month it comes to the rescue to assist Nature in throwing the impurities from the body. Miss Sarah Finley, of Memphis, Tenn., vice-president of the Palmetto Club of that city, speaks for herself and many friends when she bestows the

Miss Sarah Finley.

following praise on Wine of Cardui:

"Among the numerous medicines placed before suffering women for their relief none can touch McElree's Wine of Cardui. It towers above them all as a reliable female remedy. It simply drives pain and disease away and restores health in an incredibly short period. I have taken great interest in this medicine for the past two years, since it brought health and strength to me. I have also recommended it to a number of my friends and they who have used it speak of it in the highest terms and I feel that it is praise well bestowed."

If you are suffering from female weakness Wine of Cardui is the medicine you need.

You can have health the same as Miss Finley if you will take the Wine of Cardui treatment. If you need advice further than the complete directions given on the bottle, address The Ladies Advisory Department, Chattanooga Med. Co., Chattanooga, Tenn.
